Clicking on an empty slot brings up the booking form below to be filled in with your booking details, selected from details that will drop down from the “Choose Slots” and Game Name” tabs. “Additional information” can be added as free text similar to below as can “Name of Opposition”. This can be helpful for deciding the allocation of rinks prior to attendance at the green. These details can be edited retrospectively.

When choosing “Slots” you will have the option to choose from any numbers depending on your club setup and how many are available. Depending on how your club operates you may not get the actual rink number you have selected as these may be allocated on arrival. Please check with your club secretary if unsure.

You have the option to select a provisional booking or full booking by clicking on “Request Slot” at the bottom. Selecting “Provisional Booking” holds the slot for 24 hours and **auto deletes if not confirmed**.

Email confirmation and 24hr reminders are sent out with all bookings

The screenshot shows a web application interface for booking a slot. A modal window titled "BOOK YOUR SLOT" is open over a calendar. The calendar shows a grid of dates and times. The modal form is for Thursday 10th September 2020, 12.00PM to 1.30PM. The user is Mike Irving (Blue Club). The form has the following fields:

- CHOOSE SLOT(S)**: A dropdown menu with the text "Choose rinks to book please".
- GAME NAME**: A dropdown menu with the text "Choose Game Name".
- ADDITIONAL INFORMATION**: A text area for additional information.
- NAME OF THE OPPOSITION (OR PRACTICE)**: A text input field with the example "e.g. Buntingford".
- PROVISIONAL BOOKING**: A checkbox that is currently unchecked. Below it, a note says "(This is a Provisional Booking and if not confirmed within 24 hours it will be auto deleted)".
- * REQUIRED**: A red asterisk indicating required fields.
- REQUEST SLOT**: A red button to submit the booking.

When you have made a booking your slot will appear highlighted yellow when you are logged in to the diary. Clicking on your slot shows your game details and gives you the option to delete or edit the booking. Only you or an administrator has the option to delete or edit your bookings. This can also be used to edit bookings retrospectively.

Clicking on other populated slots will show full details of that booking.

Calendar View

Clicking on the calendar tab top left shows the month to view with the coloured dots indicating rinks booked on any given day. Clicking on a date takes you to the selected diary page for that slot where you can check match details or make or edit a booking. You may also click on forward dates to make a new booking.
